CIRCULAR

Opportunity for BE/B. Tech Computer Sc/IT, MSC IT, MCA

Name of Company: Si2 Technologies Pvt. Ltd, Vadodara

About the company:

Incorporated in 2015, Si2 Technologies (or Si2 Tech) is a fast-growing IT Service provider based in Vadodara, Gujarat. We provide services to leading multinational clients in the following technology domains.

- SAP - Full suite of SAP technical Services including HANA, PI, Neptune & Fiori & SAP Basis.
- SAP - All core functional modules FICO, SD, MM, PPQM.
- Salesforce- including technical and functional support.
- Full range of IT Infrastructure support Windows, Linux, Storage, network & security in addition to client technical Helpdesk.

Within five years, we have grown to a 70+ member team today and we continue to expand at a brisk pace. The company has plans to further scale up operations to expand its footprint further.

Our employee's compensation is among the best in the industry. Average age of employees is less than 30 years- so it is a young and dynamic workplace.

We are renowned for our employee friendly policies and are certified as a Great Place To Work. The certification puts seal on the 'high-trust, high-performance' work culture that we have strived to build over the years. The credit goes to our employees as only Great people make a Great workplace.
