### Circular

### “A survey for the Deep Tech Certifications”

To,  
All Principals,  
Bachelor of Engineering Colleges,  
Master of Engineering Colleges and  
Master of Computer Application colleges of GTU.

To thrive in the 21st-century workplace, students need more than a working knowledge of current technological tools. They must gain exposure to the tools and skills they will likely encounter in the modern workplace. By integrating these technologies with the regular curriculum and ongoing activities, GTU ensures that their students are workforce ready in more ways than one. GTU put up rigorous efforts to develop fruitful industry-academia collaborations sensing the need of emergence of technological advancements in all fields.

For infusing the futuristic skills in its students and providing real time practical exposure of Deep tech domain, it is under the active deliberations to offer the Certificate Courses in said domain in collaboration with reputed industries partners & concerned government departments.

For better catering the needs of the students and providing them optimum alternatives to choose from, we would like to know their initial preference w.r.t the listed courses in the google form.

We request you to kindly share this communication with the respective students of UG & PG Engineering /MCA in your esteemed institution and encourage them to provide the required details in the survey form as attached below.
